<sup>1</sup> Indexation: The Bank links the calculation of the fees indicated in this List of Conditions to the average consumer price index published annually by the Central Statistics Office with respect to the preceding calendar year. The amount and rate of the fee is automatically modified (indexed) in accordance with the average annual consumer price index applicable from 1 April of each year to preceding calendar year. The modification of the fee is published by the Bank in each year at the latest by the 1st day of April in this List of Conditions. The fee is specified by the Bank to a whole forint amount in accordance with the general rules on rounding, and in the case of a tariff specified in euro, to two decimal places. The Bank reserves the right not to apply fee indexation on one or even on several occasions with respect to certain customer groups and certain service types.

<sup>2</sup> In case of this package we require a regular monthly incoming fund with one transaction in the amount of at least the prevailing net amount of the monthly minimum wage to the current account held with Raiffeisen Bank. Incoming fund is accepted from non-Raiffeisen Bank source or from a Raiffeisen Bank account of the customer's employer as well. Raiffeisen Bank grants a onetime grace period of a further one month following the month of the opening of the account or the changing of the account package, for the credit of the first minimum monthly net incoming fund on the account holder's account. If the above determined incoming fund is not arriving to the account in the 2nd month after the month of account opening or package changing, the Bank is charging the monthly account maintenance fee specified in this List of Interest Rates and Charges. This rule is valid in the later months as well: the Bank is charging the account maintenance fee on the first banking day of the month followed by the monitored month, when the incoming fund has not arrived. The monitored period for the fee charge of the month concerned: from the 21st day of the month prior to the month concerned to the 24th day of the month concerned. The required credit defined in the conditions cannot be fulfilled through cash deposit in branches.
